

## Chiropractors, Physiotherapists and Audiologists: Diagnostic Imaging De-Insured Services

March 2020

We understand exams referred by a chiropractor, physiotherapist, or audiologist are to be patient paid as of March 31, 2020. <https://www.alberta.ca/assets/documents/health-med-212-bulletin-payment-diagnostic-imaging-referred.pdf>

MIC Medical Imaging is committed to assisting you and your patients through this transition.

MIC Medical Imaging will continue its practice of billing patients as per the current [Schedule of Medical Benefits Fee Guide](#). Baseline fees are also available on the [Alberta Medical Association Fee Navigator](#).

We have compiled a list of prices for some common exams to assist you and your patients. Please note: these prices are a base line. The final price may be subject to change based on clinical need and will be determined on a case by case basis.

All MIC clinics offer walk-in service for X-ray, no appointment required. After hours X-ray is available at our Century Park, Tawa, Windemere and Summit Centre locations. Clinic hours are listed on our [website](#).

Appointments can be made by calling our Central Booking team at 780-450-1500. For booking MRI & CT examinations please call 780-433-1120.

All X-rays are available for viewing immediately through [MICConnect](#).
