

MIC Imaging Services Update

Effective April 6, 2020

MIC Medical Imaging is making every effort to ensure a safe environment for patients and staff during these challenging times. As directed by the CPISA, MIC will **not** be performing non-urgent exams – we continue to offer imaging services for patients **deemed necessary** by their physician.

Our Central Booking Team is ready to assist you.

- 780-450-1500 or toll free at 1-800-355-1755

Central Booking hours M-F: 7:30am-5:30pm; Sat 9:00am-12:00pm

MRI/CT Booking hours M-F: 8:00am-4:00pm; closed for lunch 12:00-1:00pm

MIC uses Mikata Health's Reminders+ to conveniently deliver appointment confirmations, reminders, and instructions right to your patient's mobile phone. Let your patients know they can expect these messages when you book imaging on their behalf.

- We accept all requisitions.
- **Requisitions in pdf writeable format** are now available on our website at: mic.ca/for-practitioners/requisitions

We have several ways to manage requisitions remotely:

- Fax: 780-450-9551
- E-mail: booking@mic.ca
- Take a picture of the requisition and text it to your patient

Our website www.mic.ca contains the most up to date information.

Please see the following updated list of MIC Clinic Locations, Hours and Services.
