

## Update Pediatric Services at Terra Losa Clinic and Century Park Clinics

May 1, 2020

MIC Medical Imaging offers weekly pediatric ultrasound services at our Terra Losa and Century Park Clinics.

Your MIC radiologists are the same radiologists at the Stollery Children's Hospital and offer the following pediatric exams:

- Brain ultrasound, for children < 6 months of age
- Hip ultrasound, for children < 4 months of age
- Pylorus ultrasound for children < 3 months of age
- Spine ultrasound, for children < 6 months of age
- Ultrasound of the Neck, Thyroid, Chest, Abdomen, Kidneys, Appendix, Pelvis, Scrotum and Soft Tissue Ultrasound for children of any age.

MIC's pediatric radiologists are:

Dr. Chris Fung

Dr. Lucy Jamieson

Dr. Jacob Jaremko

Dr. Madalsa Joshi

Dr. Arlene Kanigan

Dr. Teresa Liang

Dr. Michelle Noga

Dr. Adrienne Thompson

MIC Terra Losa and Century Park both offer a warm welcoming environment, timely access, and ample free parking.

Appointments can be arranged using our general requisitions through our Central Booking Service at: **780-450-1500**, or toll free at **1-800-355-1755**.

MIC is committed to continuous improvement please complete our survey at [mic.ca/PractitionerSurvey](https://mic.ca/PractitionerSurvey)
